LB 73A, 234A, 259A

SPEAKER NICHOL: Any other discussion on 73A. If not, the question is the advancement of 73A. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 27 ayes, 4 nays to advance the A bill, Mr. President.

SPEAKER NICHOL: The A bill is advanced. LB 234A.

CLERK: Mr. President, 234A offered by Senator Wiitala. (Read title.)

SPEAKER NICHOL: Senator Warner, were you going to handle that?

SENATOR WARNER: Mr. President, I move the 234A be advanced and just quickly looking at the bill it does increase some fees what reimburses the general fund for the expenditure that will subsequently come out of the general fund. So it does not add cost because the money is also raised with it. I move the A bill be advanced.

SPEAKER NICHOL: Any other discussion on the bill? If not, the question is, shall LB 234A be advanced? All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays to advance 234A, Mr. President.

SPEAKER NICHOL: The bill is advanced. LB 259A.

CLERK: Mr. President, LB 259A (read title).

SPEAKER NICHOL: Senator Hefner.

SENATOR HEFNER: Mr. President and members of the body, I move the advancement of LB 259A. If you were following the debate the other day on 259, this bill creates a Bingo and Pickle Card Commission and, of course, we need a little money to put this into operation. Eventually it will wash itself out because we will be taking some money in if this bill passes. I think the fiscal impact for this coming year is \$3,000, and, of course, right now I have asked the Speaker to hold LB 259 on Select File until we have a chance to debate LB 336, the lottery bill. If the lottery bill passes, we will put both of these commissions into one. It will be called the Bingo, Pickle Card and Lottery Commission and so I urge you to support this bill and I move the advancement of 259A.

SPEAKER NICHOL: Any other discussion on 259A? The question is, shall 259A advance? All those in favor vote aye, opposed nay. Record, Mr. Clerk.
